

Ch 2 You Get to Join the Peace Corps!

1. Get onto the Peace Corps site and find a place to go. <http://www.peacecorps.gov/>
2. After understand exactly what a Peace Corps volunteer is, find the interactive map and a place to visit. You must all choose a different area of interest and countries.
3. After becoming familiar with the different economic systems, decide which economic system your country uses by researching that country and prove your answer.
4. Tell me why a person would join and benefits of joining.
5. You must also tell me the following:
 - a. Describe how the country answers the three economic questions.
 - b. Evaluate the country's safety level and tell me the do's and don'ts of your visit.
 - c. Describe the items you must take with you and how long you may stay.
 - d. Forecast the benefits/costs you will reap from this Peace Corps experience.
